Hi Sanjay,

How are you? I've got lots of news to tell you! We're going to do a show at my school later this year and I've decided to audition for a part. My teacher suggested it because she says I'm good at acting. I've never performed on stage before, but I'll try my best when I audition for the part. I enjoy singing and dancing, but I can't imagine doing all of that in front of lots of people. I imagine I'd be nervous. I don't mind singing a solo in front of my teachers, though, because they're cool. And I've done it before anyway.

Last week I won a competition! We had to write a story about the environment and I wrote about how we save energy in my family and the things we try not to do. What else? I'm going to join our new science club – it's after school on Tuesdays. I think we'll try some new activities there.

I remember you said you wanted to learn to scuba-dive. Have you started yet? Let me know how you are getting on. I've always wanted to learn too.

I've been a bit bored. My mother suggested <sup>1</sup> **trying / to try** a new activity. I think it's a great idea, and I've promised <sup>2</sup> **thinking / to think** about it. I don't want <sup>3</sup> **to learn / learning** to scuba-dive. I don't enjoy <sup>4</sup> **to swim / swimming** in deep water. I don't think it's safe <sup>5</sup> **enough / too**. There's the school play, but you have to audition for a part, and I can't imagine <sup>6</sup> **to do / doing** that. It's <sup>7</sup> **too / enough** scary! So I've decided <sup>8</sup> **joining / to join** a club at school. I don't mind <sup>9</sup> **playing / to play** chess, but the chess club is too quiet. I think I'll try the basketball club. My friend is very good at basketball and he's promised <sup>10</sup> **to teach / teaching** me the rules.
